

**CLEANING INSTRUCTIONS:
Konami Gaming, Inc. Slot Machines**

UPDATED: 03/19/20

Konami Gaming, Inc. recommends periodic cleaning of slot machines to support public health and safety. Following actions are encouraged as preventative measures to avoid the spread of illness:

- Regularly clean glass surfaces and exterior game cabinet surfaces with isopropyl alcohol to properly disinfect
- Target these areas specifically for cleaning:
 - Cabinet exterior
 - Buttons and face plate
 - Displays
- Avoid using isopropyl alcohol on graphical plexiglass (belly door)
