

Venue Readiness Information:

Metropolis System Start Up Checklist

As a result of the Metropolis system and venue shutdowns, the checklist outlines what venues using the Metropolis system will need to review as part of their re-opening operations. Note that this is a generic checklist and some functionality may not be relevant to your venue setup.

This checklist should be read in conjunction with any government and regulatory guidelines to ensure all requirements are met.

Venue Name	
Venue Contact	
Venue Contact Number	
Date Completed:
